

## South Carolina 2018 Bee Bowl Competition Rules

**Bee Bowl 2018 will consist of 8 teams – selected through a random drawing of all teams entered. ALL SCBA Member Clubs are encouraged to enter a team! A PRIZE will be awarded to the winning team.**

- All member clubs in SCBA may enter a team consisting of 3 members and 1 alternate (optional) but must have 3 members present during the competition.
- All team members must be active members with their local club and SCBA membership as of April 2018.
- Teams will be randomly drawn and numbered 1 thru 8 for the competition. Number 9 and 10 will be selected in the case of a team withdrawing. Drawing for teams will be made at noon July 20, 2018 and will be posted at the Master Beekeeping Program Display by 1pm.
- *Team 8 will play 1, Team 7 will play 2, team 6 will play 3, and team 5 will play 4.*  
The team with the lower number will get the first question, alternating with the second team.
- 5 questions per team with a point value from 20 for a certified question to 40 for a master.  
*20 Points for Certified Question*  
*25 Points moving toward Journeyman question*  
*30 Points for Journeyman question*  
*35 Points moving toward Master question*  
*40 Points for Master question.*  
**150 total points**
- Points will be awarded for correctly answered questions and deducted for those missed. If a question is missed, the other team has the option to answer or pass and not attempt the question. If answered correctly points will be added but deducted if incorrect.
- A final question will be asked to both teams and secret wager will be made based on points earned (any amount of earned points may be wagered – similar to Jeopardy). Moving to the next round will depend on the final point count between the *eight teams.*
- Higher scores advance to the final four. Lower scores are eliminated.  
Lowest accumulated points of the *top* four will go first against the number *one* team, third place will play second place. Same format will be used for final two teams.
- Final two teams will have an increase in questions (7 total) and points, (35 and 40) along with the final secret wager question. In all cases the final question will have a clue to assist in making the wager.

**To enter a team send an email to [scmasterbeekeeper@gmail.com](mailto:scmasterbeekeeper@gmail.com) with the name of the Club entering and the name of the 3 members and 1 alternate. Entries must be submitted by Wednesday, July 18, 2018 just prior to the opening of the conference.**
